Why Longboat Key Club and Resort Supports The All-Star Children's Foundation

Longboat Key Club and Resort is proud and honored to be the Official Sponsor of the All Star Children's Foundation. Affiliation with this organization from its inception has provided us with the opportunity to grow our signature events and provide local, regional and national exposure for the Foundation and its mission.

As Official Sponsor of the All-Star Children's Foundation, we will once again roll out the red carpet providing the backdrop and services for both the celebrity golf tournament in the fall, and tennis event each spring. The support of our owners, members, and associates is evident in our commitment to end the cycle of child abuse, neglect and abandonment in our lifetime.

Longboat Key Club and Resort looks forward to providing continued sponsorship of this compelling cause, and to making a positive impact on the lives of children and their families in our community.
