

FOSTER PARENTING OPPORTUNITY

A life-changing, history-making, spirit-filling opportunity

The All Star Campus is at 3300 17th St., Sarasota, FL

IMAGINE a place where children come to **HEAL**. A place where **HOPE** is restored. A place where **SAFETY** and **TRUST** are the foundation. A place where **EMPOWERMENT** is the driver to change.

This place exists today, and it is in your own **COMMUNITY**.

All Star Children's Foundation has embarked on a path that will lead abused children through their healing journey. Through our innovative approach and using the latest in brain science, these children will no longer be victims of their past experiences but will embrace their future with hope and inspiration and with the skills necessary to live a fulfilling and purposeful life. Everything needed to do this is found on our state-of-the-art campus for Hope and Healing.

By joining our passionate team:

- ✿ YOU will have the power to change a child's story.
- ✿ YOU will give a child a voice.
- ✿ YOU will bring light back into a child's eyes.
- ✿ YOU will contribute to changing how foster care is done today.

TOGETHER, we will break the cycle of child abuse!

Are you ready to be the change?
